

1321 LaSalle Street, Wayzata

Welcome to this avant-garde masterpiece in Wayzata. Set within a thriving vineyard, overlooking a pristine wetland - this one-of-a-kind property is beyond unique! Born of the owner's desire to create an industrial-inspired living environment of steel, glass and concrete - this home is not for the faint of heart. The design is cutting-edge, the execution is flawless and the quality is simply the finest.

A refreshing departure from the ordinary.

If you're asked, "Why do you need all that space?"
Tell them, "I need it for my imagination."
