The only 3 Bedroom unit at Bay Scene. Enjoy living in this luxurious and remodeled condo in one of the most desirable buildings at Sail Bay. Just steps to the gorgeous waters of Mission Bay and a short walk or bike ride to the Ocean, you can really embrace the beach lifestyle. Condo features new tile floors, remodeled kitchen and bathrooms with granite counters that enhance all the natural light coming in from the floor to ceiling windows. New security Fob system makes this a very safe building. A great place to live for families and retirees. Complex has new elevators and environmentally controlled irrigation system. 2 secured underground parking spaces and bike storage. This condo has no shared walls on either side only the unit directly above. Located on the first floor in tower 3 gives easy access from the main entry for friends and visitors.
